

Stress

Preparation

You have received one out of six case stories. Prepare to tell your partner about it.

Part 1 – Inform and Discuss

A Tell your partner about your story.

B Then discuss it briefly with your partner.

- What/Who is the problem causing the stress situation?
- Where/When does the stress occur? How does it show?
- What could perhaps solve the problem in this particular case?

Part 2 – Discuss

Now discuss with your partner different aspects of stress.

A What causes stress in you? In other people?

*Choose **three** things each. Think about factors like:*

- Tests? Trouble at work?
- Quarrelling/Rows?
- Sleeping problems?
- Noise?
- Queuing?
- Overcrowded trains/buses? Traffic jams?
-
-

B How do our bodies react to stress? What are the effects on our daily lives?

D Stress is not only a problem for the individual. What can society do to help?

What can be done by

- schools?
- employers?
- the government?
